The manufacturer declares on its own responsibility that the product described/depicted below*}

**435509 - Overall 509 Nomex**

*optionally fitted with embroidery, embroidered label, or (thermal) transfers (only valid if made of the same materials as the ones certified with the prototype, as well as the manufacturer specifications regarding the items placement and execution procedures).

*optionally fitted with retro-reflective stripes. (Only valid if made of the same materials as the ones certified, as well as the manufacturer specifications regarding the items placement and execution procedures)

The above-mentioned notified body with the given identification code, carried out the (EU) prototype testing and issued the EU Prototype testing certificate with the number Z 18/0093/00/0161

The PPE is subjected to the conformity assessment procedure according to Module D (conformity with the prototype, in accordance with the quality assurance regulations applied for the manufacturing process) under the supervision of DEKRA Testing and Certification GmbH notified body, identified with the code number 0158.

The above mentioned article is certified according to IEC 61482-2:2009. Although the standard was updated in 2018, the testing procedures remained unchanged. The tests required in compliance with the new standard, regarding the heat shrinkage and penetration index have already been carried out during the complete certification.

The above-mentioned article is certified according to EN 1149-5:2008. This standard has been replaced with issue 2018. Nonetheless, apart from formal terminology revisions, the testing procedures remained unaltered.
